

# March Madness at Palm Harbor Dermatology

We are 'mad' about Photorejuvenation!

What does it mean?

Photo = light & Rejuvenation = reverse the aging process

Using light as a treatment for brown spots and wrinkles that develop as we spend years in the Florida sun.

Get mad with us & correct that skin with one of the below options:

Option 1

**Mild**

Downtime: Minimal

Cost: Less than \$500

Procedure: series of peels + red light rejuvenation

**March Madness Discount:**  
**\$50**

Option 2

**Moderate**

Downtime: Expect a few days of swelling and at least a week of darker brown.

Cost: Less than \$1000 for a series of 3 treatments

Procedure: Usually 2-3 treatments are performed several weeks apart

**March Madness Discount:**  
**\$75**

Option 3

**Intense**

Downtime: Downtime lasts a few days with more dramatic swelling & redness, and about a week of peeling.

Cost: complete package is in the \$2000 range, but is well worth the investment!

Procedure: Usually 2-3 treatments are performed several weeks apart

**March Madness Discount:**  
**\$150**
