Inner Circle of Beauty

Over the 18 months since PHD opened, we have developed a particularly loyal following. We have made our best effort to offer products and services for superior health and appearance of the skin with honest opinions and expert recommendations.

We decided the best way to show our appreciation for this loyalty is to offer an opportunity for reduced prices and exclusive services. The result...the Inner Circle of Beauty.

For a modest annual fee (\$350), members of the Inner Circle receive a 20% discount on all cosmetic products and services, a complimentary facial and chemical peel (holiday parties are not far away!), and Nights of Beauty twice a year offered exclusively to Inner Circle members.

A quarterly newsletter will keep our members up to date on what's new in cosmetic products and services, and more importantly, what works and what to stay away from (can you say Slim™ Lipo?). We hope you'll consider joining the Inner Circle, we promise you'll feel better informed and better about the value you receive for your investment.
