

Looking for picture perfect skin?

can help!!!

PHOTODYNAMIC THERAPY FOR ACNE

Palm Harbor Dermatology is now offering the most recent advance in acne treatment:

ALA-Photodynamic Therapy

Have you failed topical treatments and are not interested in taking oral medication?

Are you simply tired of applying numerous products to your face and never getting clear skin?

Are you looking for a treatment that may also improve your overall skin texture and minimize scarring?

Call us today 727-786-3810.

Book an appointment to find out more & how this treatment can work for you!
